Falling hair means weak hair. Then strengthen your hair; feed it with the only hair food, Ayer's Hair Vigor. It checks falling hair, makes the hair grow, completely cures dandruff. And it always restores color to gray hair, all the rich, dark color of early life.

My hair was falling out badly and I was afraid I would lose it all. Then I tried Ayer's Hair Vigor. It quickly stopped the falling and made my hair all I could wish it to be.

Recent experiments conducted by most eminent scientists, prove that light is a great remedial agent; it is essentially Nature's agent. It may be either sunlight or electric light, but it has a decided effect in helping nature to banish disease and restore health. Other scientific men have proved that oxygen electrifies the heart and can prolong life.

The people on this earth are susceptible to some laws which govern plant life. A plant cannot be successfully grown in the dark. A man is seldom healthy and strong who lives in the dark or in sunless rooms. After all, Nature's ways are found to be the best. Nature's remedies are always best for eradicating disease, and by this we mean a medicine made of roots and herbs. They are assimilated in the stomach and taken up by the blood and are, therefore, the most potent means which can be employed for the regaining of lost health. Dr. R. V. Pierce, consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., in many years of extensive practice, found that he could pin his faith to an alternative extract of certain plants and roots for the cure of all blood diseases. This he called Dr. Pierce's Golden Medical Discovery. Containing no alcohol nor narcotics, entirely vegetable, this "Discovery" makes rich red blood and is a powerful tissue-builder, giving the tired business man or woman renewed strength and health. Rapidly growing school-boys and boys often show impoverished blood by the pimples or boils which appear on face or neck. To eradicate the poisons from the blood, and feed the heart, lungs and stomach on pure blood, nothing is so good as Dr. Pierce's Golden Medical Discovery.

Don't allow the dealer to insult your intelligence by offering his own blood remedy to you instead of this well-known preparation of Dr. Pierce's. Ten chances to one he will substitute a cheap compound having a large percentage of alcohol in it.

Dr. Pierce's Pellets are the best for the bowels. Use them with the "Discovery."

Rev. Bennett filled his regular appointment here Sunday, delivering a most excellent sermon.

Tom and John Ireland have returned from an extended visit to relatives and friends in Eastern Kentucky.

H. H. Snyder, the hunter and trapper, has quit his "easy" profession and moved to Duke to engage in farming for the coming season.

"I don't think we could keep house without Theodor's Black-Draught. We have used it in the family for over two years with the best of results. I have not had a doctor in the house for that length of time. It is a doctor in itself and always ready to make a person well again."—JAMES HALL, Jacksonville, Ill.

is necessary in the home where Theodor's Black-Draught is kept. Families living in the country, miles from any physician, have been kept in health for years with this medicine as their only doctor. Theodor's Black-Draught cures biliousness, dyspepsia, colds, chills and fever, head blood, headaches, diarrhoea, constipation, colic and almost every other ailment because the stomach, bowels and liver and kidneys so nearly control the health.

Our pleasant little milliner, Miss Emma Thompson, of Rhodelia, has gone to Caruthersville, Mo., to locate and we learn that her sister, Miss Maud, our dressmaker, will soon follow. They will both be missed very much.

Saved From Terrible Death.

The family of Mrs. M. L. Bobbitt of Bartington, Tenn., saw her dying and were powerless to save her. The most skillful physician and every remedy used, failed, while consumption was slowly but surely taking her life. In this terrible hour Dr. King's New Discovery for Consumption turned despair into joy. The first bottle brought immediate relief and its continued use completely cured her. It's the most certain cure in the world for all throat and lung troubles. Guaranteed. Bottles 50c and \$1.00. Trial Bottles Free at Short & Haynes Drug store.

## PATESVILLE.

Misses Anna and Sallie Baker were in town Saturday shopping.

Miss Anna Lamb has just recovered from a very severe attack of scarlet fever.

Oscar Young was in Hawesville Saturday on important business.

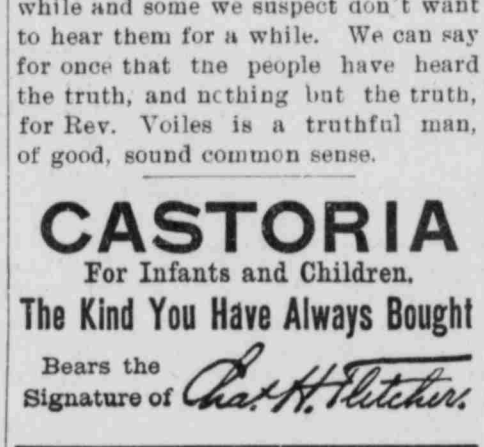

James Lamb, who is teaching the Henson school, has dismissed it for a few days.

Mrs. Y. Tra-vorse, of near Weber, was in town several days last week on business.

B. F. Arbra and sons, who have been up near Mattingly saw-milling, spent Saturday and Sunday at home.

Scarlet fever is raging in our town at present, but the school and church have not yet been closed on its account.

We are sorry to give up Rev. Voiles, who, for the past ten days, has been employed to aid Rev. Oldham in the revival which is being carried on in the Baptist church. As he has eight appointments before him to fill, he can only spend a few days with his family. Though he tried only a few days with the people of our town he preached some of the most arousing sermons that they will be apt to hear for a while and some we suspect don't want to hear them for a while. We can say for once that the people have heard the truth, and nothing but the truth, for Rev. Voiles is a truthful man, of good, sound common sense.

**A Business**

You play hard to win success—both in games and business.

Success in business depends on how you play the game—one the principal rules of the game is that you should have good stationery.

A great many business men do not take heed to this rule, however, the more successful ones do.

Most men are to blame because they break this rule—the one - horse - printer who tells you his work is the best is to blame.

Send us your stationery orders and you won't deceive.
